Hello and Welcome

Dear Valued Customer

Welcome to another year of new and exciting happenings at Polly's Beads. Have you checked out the web site www.pollysbeads.com.au lately as there are changes happening virtually every day. The easy find button has helped to make it easier to find products and if ever you have difficulty in finding an item please email us at info@pollysbeads.com.au and we will endeavour to add more information.

The 2008 Stenboden booklets have not arrived as yet. We will notify you as soon as they arrive.

Our next catalogue is in the process of being up updated and will be ready for distribution early in 2010.

As we are building quite a collection of knitted dress patterns for the half porcelain doll, we will look at making a separate catalogue for these patterns, half dolls, stands, cottons and beads. If you are interested in this section please let us know your interest in this separate catalogue.

The new Australian distributor for Coats Duel Duty Quilting Thread has not received their new stock as yet. We have been told on a number of occasions that it will be 2 weeks away. That 2 weeks has come and gone on numerous occasions so all we can do is wait at this time. We have been notified there will be a substantial price rise which is not surprising.

Apologies to all those who attended the new Craft Fest Fair at Homebush in March and had your Craft Club membership card scanned. Our computer decided to loose all the card numbers except for those taken on the Sunday. The organizers were so amazed at how many joined the Craft Club and have only just started sending out contact emails.

If you have received this newsletter by mail and would like to receive it by email, or have changed you email address please send your email address to info@pollysbeads.com.au

Happy Beading
Rosalie
