

15. Swarovski Artemis Tree Earrings

Materials Required

- 2 x 1 ¼ Head pin
- 2 x 4mm Swarovski cubes jet
- 2 x 12mm Artemis Swarovski bead olivine
- 2 x 4mm Swarovski bicones gold
- 1 PR Earring Wires

- On a 1 ¼" head pin thread 1 cube, 1 Artemis drop and 1 bicone.
- Trim pin and cut.
- Create a circle on top of the pin and attached to an earring wire.

How to turn a circle:

1. Bend the wire at a right angle away from you as close to the bead as possible using the tip of the round nose pliers. Clip wire 1.5cm from the turn.
2. Grip the very tip of the wire in your round nose pliers about halfway up the pliers. (The diameter of the pliers where you grip determines the circle's size e.g. if you want a small circle grip with tip of the pliers, medium circle grip the pliers in the middle.)
3. Press downwards slightly and rotate the wire into a circle.
4. Let go, grasp the circle at the same place on the pliers and keep turning to close the circle. You can turn this circle again to make a double more secure circle.
