

1. Miniature Christmas Ball

Materials Required

- 2 x 1 1/4" head pin
- 2 x 6mm clear sequins
- 2 x 20mm Acrylic Ball
- 2 x Filigree Bell Caps
- 1 PR Earring Wires

- Thread beads onto a 1 1/4" head pin in this sequence; sequin, pearl and bell cap as shown in picture.
- Cut pin to required length.
- Turn pin into a circle. Attach earring wire.

How to turn a circle:

1. Bend the wire at a right angle away from you as close to the bead as possible using the tip of the round nose pliers. Clip wire 1.5cm from the turn.
2. Grip the very tip of the wire in your round nose pliers about halfway up the pliers. (The diameter of the pliers where you grip determines the circle's size e.g. if you want a small circle grip with tip of the pliers, medium circle grip the pliers in the middle.)
3. Press downwards slightly and rotate the wire into a circle.
4. Let go, grasp the circle at the same place on the pliers and keep turning to close the circle. You can turn this circle again to make a double more secure circle.
